17. [ ] Saw Dorothy Fosdick, Permanent Subcommittee on Investigations staff, and left with her two documents which had been brought to our attention by the CI Staff. One was an article in the publication "Orbis" by Lothar Metzel on the subject of detente. The other was some material which CI Staff had pulled together on Soviet manipulation of Senator Fulbright's book "The Arrogance of Power." I told Fosdick that I was merely bringing these to her attention as a matter of possible interest. She thanked me and provided me with copies of Senator Jackson's floor statement in the Senate today on SALT. A copy was provided to DDS&T.

18. [ ] Received a call from [ ] Special Assistant to the DDCI, who reviewed the current defensive driving program and suggested it would be well to mention the program to Chairman Lucien N. Nedzi (D., Mich.) as a follow on to the briefing given Chairman Nedzi concerning demolition training.
